Best Kept Secret in the South Pacific

Tonga has long been associated with the best place in the world to swim with whales, what many do not know is we can also boast some unique and fantastic diving. With over 30 established dive sites but so much more undiscovered and untouched.

Crystal clear blue water year around with visibility ranging from 20 to 50m, water temperature ranges from 24°C (75F) to 30°C (86F) – you will not be disappointed!

You will stay in the boutique Reef Resort on the tranquil Kapa Island. The resort offers only five stunning luxury fales, a gourmet restaurant with panorama view over the turquoise lagoon.

Reef Resort with it's tasteful furnishings and high standard is perfectly integrated into the gorgeous landscape of this pearl of the Pacific.

The Deluxe Bungalows are equipped with a king size canopy and one single bed with veranda.

The dive boat will pick you up and drop you off each day.
